

"Forever in Our Hearts"

Jack Harvey
1923-2021

"What A Wonderful World"

I see trees of green
Red roses too
I see them bloom
For me and you
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaken hands
Saying, "How do you do?"
They're really saying
"I love you"

I hear babies cry
I watch them grow
They'll learn much more
Than I'll never know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world

A memory bench will be dedicated to Jack in Manito Park. It will be across the street from the Park Bench Cafe on the trail going up the hill on the right. As a kid, he had many fond memories of riding his bike, sledding, playing hockey and ice skating in this beautiful park!
