The 2010 New England Junior Open, a premier East Coast badminton tournament, brings the Olympic sport of badminton for two action-packed days to the Marblehead High School. Hosted by Marblehead Youth Badminton, NEJO will open its doors to junior players in categories from U9 to U22 on Saturday and Sunday mornings to compete together on at least eight courts. Top juniors will vie for ranking points to go onwards to the Junior Nationals.

While awards will be presented after the finals played on Sunday, come watch the shuttles soar during Saturday's qualifying rounds and support your friends. The special Bingenheimer Sportsmanship Award recipients will be announced at noon on Sunday, to one male and one female contender. Almost a hundred players from various states are expected to descend on Marblehead to compete. There will be fun for all: over eight courts of top-class badminton sport to watch, awards to be garnered, "toss the birdie" games to be played and a bake sale to enjoy. Bring family and friends to one of the best free shows in town this month!
