ADDENDUM 2

1. RESPONSIBILITY FOR NATIONAL CHAMPIONSHIP PERPETUAL TROPHIES. Previous regulations required that if a winner took possession of the Perpetual Trophy for the year, he or she or the club or association to which the winner belonged was responsible for the engraving of the year and names and the cost of shipping the trophy to the site of the next National Championships. However, the ABA paid the above costs for trophies won by foreign players and for the USA winners who did not elect to take possession of the trophies for the year. Such a situation seemed unfair to the winners who wished to have the trophies. Therefore, a change in the regulations was approved at the Directors' Meeting in Chicago, October 5, 1968.

The change that was approved would have had the ABA paying for part of the expense and the National Championships Committee paying for the rest of it.

Further consideration of the problem has led Virginia Lyon, the proposer of the Chicago motion to now propose that the ABA bear the full financial responsibility. It is difficult enough to get a group willing to put on a National Championships without asking them to take on an additional financial burden for the Perpetual Trophies. Any change in the regulations would take effect with the winners of the 1969 Championships, as the winners of the 1968 Open have signed the agreement that was in existence when they received their trophies.

Previous Agreement

1. The Class "A" Member Association or Class "B" Member Club of which the winner of the trophy is a member shall.....be responsible for the safekeeping of the trophy, and shall defray or cause to be defrayed the expense of engraving the name of the winner in the proper place and in full conformity with the established design.
2. The winner of the trophy shall be permitted either personally to transport the trophy to his or her club or home (provided such trophy is not taken outside the continental limits of the United States without written permission of the ABA Secretary), or to have the trophy forwarded to such destination without expense to the ABA.
3. The party responsible for each trophy shall deliver the trophy, or cause it to be delivered, all transportation charges prepaid, at least one (1) month in advance of the succeeding

ADDENDUM 2 (contd.)

Championships, to an authorized recipient at the place of such next succeeding Championships, as notified by the Secretary of the ABA.

Proposed Agreement (passed by ABA Directors Mail Ballot #3)

1. The winner of the trophy shall..... be responsible for the safekeeping of the trophy.

2. The name of the winner(s) and the year shall be engraved in the proper place and in full conformity with the established design and the bill submitted to the ABA. Payment for the engraving will be on the basis of *(1) cents per letter for *(2) letters = \$ _____.

(*(1), a reasonable rate based on experience, i.e. San Diego this year is 16¢ per letter. *(2), the winner's name to be figured for this number.)

3. The winner of the trophy shall be permitted either to personally transport the trophy to his or her home (provided such trophy is not taken outside the continental limits of the United States), or to have the trophy forwarded to such destination without expense to the ABA.

4. The party responsible for each trophy shall deliver the trophy in its shipping case, or cause it to be delivered, prepaid (type of shipping) at least one month in advance of the succeeding Championships, to the Chairman of said succeeding Championships. Upon receipt of the shipping bill by the ABA Administrative Secretary, the sender will be reimbursed.

* Air freight from Los Angeles to Chicago for 26 pounds which is about the average weight of the U.S. Open trophies is \$12.78, prepaid and \$16.78 C.O.D.!!

Such announcement shall also include a general statement of the factors to be considered by the Committee in determining the winner.

The trophy is awarded annually to the player in these Championships who is determined to have made the greatest contribution to the game of badminton, through his or her sportsmanship or in other ways, either during these Championships or otherwise.

The Selection Committee, which is charged by the ABA with making the award, asks that every contestant assist them in making the selection. While the results of this balloting are in no way binding upon the Committee, your ballot will be given considerable weight by the Committee in reaching its decision.

a. Eligibility shall be limited to past and present USA National Champions in any event, or members of the USA Thomas Cup or Uber Cup Teams. (In case of close decisions only, contribution to the game may be considered as a determining factor, but playing ability, ordinarily, will be the primary factor in all selections.)

Only in cases of truly outstanding administrative contribution to the game, and at the discretion of the Helms Hall of Fame Selection Committee, a person may be nominated who does not qualify in the general eligibility of excellence of play as described above.

b. Recipients of the award must be citizens of the USA or have been a permanent resident at the time they qualify under paragraph a. above.

Upon receipt of concurrence from the President, the Selection Committee Chairman shall submit the selection to the Board of Directors of the Helms Hall of Fame Foundation. The selection shall be held in strictest confidence at all times by the members of the Selection Committee and the Executive Committee. Agreement is necessary before the submission to the Helms Board of Directors. Such agreement shall be carried out before the Annual Meeting of the ABA.

FINANCE COMMITTEE

Each year a Finance Committee shall be appointed by the Executive Committee composed as follows: The President of the ABA, the Treasurer of the ABA, and not less than one or more than three other persons, as determined upon by the Executive Committee, such other members to be persons other than the Secretary or any Vice President of the ABA and at least one of such other members to be an experienced investment or banking person, and the following procedure shall be followed for centralizing the ABA funds:-

1. As early as possible in each fiscal year, after consulting with those who are in charge of the various ABA activities, the Finance Committee shall determine how much working cash reserve is needed by each such activity to have on hand which would take care of current expenditure needs in their ordinary course of operation. The amount of this reserve, which is in the nature of a petty cash fund should be kept as low as possible. After such determination, any excess funds which are separately held by such activity at the time are then to be remitted to the Treasurer upon his request. A separate ledger account is to be kept by the Treasurer for each such activity, but the Treasurer is to hold the same as part of one or more composite investment portfolios, invested in savings accounts or otherwise. Anytime special provisions are made for any ABA activity covering financial arrangements for said activity, these regulations shall not apply.
2. Whenever the initial working cash reserve of an activity is depleted to less than 50% of the working cash reserve specified as hereinbefore indicated, the activity head may, at his or her election, obtain from the Treasurer such amount as will restore the working cash reserve to its original specified total amount.
3. As to each activity, whenever, through receipts from sources other than the Treasurer, the amount of funds separately held by such activity exceeds by more than 25% the original total amount of the working cash reserve specified for such activity as hereinbefore indicated, the activity head is promptly to remit such excess to the Treasurer.
4. As to each activity, whenever further funds over and above the aforementioned working cash reserve are needed by such activity, a request therefor is to be made to the Treasurer, and after such request has been referred to the Finance Committee for its recommendation, there is to be furnished by the Treasurer to, or for the benefit of, the particular activity such amount of further funds as is authorized by the Executive Committee. The manner of furnishing these funds for the benefit of the activity is to be in accordance with whatever the Treasurer and the activity head decide upon as being best under all of the then circumstances.
5. The Finance Committee is to advise the Treasurer as to the investment of ABA funds.

6. The Finance Committee is also to make recommendations to the Executive Committee regarding the maximum amount (but not the application thereof) which in its opinion, from a financial viewpoint, would be available for use during the current fiscal year for special expenditures, such as salary and expenses of the General Administrative Secretary.

7. Consideration should be given to having a composite investment portfolio covering funds held for international competition, whether for Thomas Cup or Uber Cup purposes, but without any consolidation being affected except for such investment purposes.

It is through meetings with representatives of these national associations that the Laws of Badminton for national and international play are established.

The rules listed here are some of those of primary interest to players and groups planning any international competition. For more details all of the Laws may be found in the IBF Handbook (See page 14).

II. NATIONAL OPEN CHAMPIONSHIPS

A. Any tournament of the status of a national open amateur championship (i.e., not restricted to the players of the country concerned) shall be subject to the following regulations:--

2. Only one such tournament may be held annually in any country.

(ABA accepts Individual ABA membership in lieu of club membership.)

C. Qualifications for International Players

1. ABA Thomas and Uber Cup Committees are instructed, when selecting a team to represent the USA in competition for the respective Cups, to take into consideration as an important factor, whether the respective players have been entrants in the National Open Championships of the ABA held prior to the time of selection, without, however, hereby making participation in such a national championships an absolutely inflexible requisite condition precedent for selection regardless of all other circumstances.

2. A player shall be qualified to represent a nation provided that he or she shall have:

a. for the three months immediately preceding the date of the fixture concerned, been a bona fide member of the association affiliated directly or indirectly to the IBF;

III. LAWS OF BAD. INTON (PLAY) -- ABA Rules Book may be ordered from the Rules Book Chairman for 25¢ each.

THE ABA DELEGATE TO THE IBF

Each IBF affiliated national organization, such as the ABA, is entitled to appoint not more than two delegates to represent it at the Annual General Meeting (AGM) of the IBF. If both delegates attend the AGM, both may participate in the deliberations and discussions, but only one delegate may cast the votes to which the national organization is entitled.

The AGM of the IBF is held in London every summer on a Tuesday either the last week in June or the first week in July. The ABA receives the official notice of the AGM along with a form that is to be returned to the Hon. Secretary of the IBF with the name(s) of the designated delegate(s) who will be attending the meeting. The privilege of membership in the IBF means more than just contributing an annual fee or levy; it carries with it the obligation to be an active and useful participant in the process of decision making on rules and regulations affecting the game and its players. If the ABA wishes to play an active role in the councils of the IBF, it must recognize that this objective can only be achieved through individuals who are willing and able to attend the meetings of the world organization --- either as a delegate to the AGM or as a member of the Council if elected to that body.

On the occasion when neither of the appointed delegates is able to attend the AGM, a special effort must be made to secure a substitute. The most desirable solution is to enlist the services of a knowledgeable official or player in England who is willing and able to accept the designation of the representative of the ABA. This type of arrangement is a perfectly workable way for a national organization to secure representation at the AGM when there is no citizen of the country who can travel to London for the occasion. However, the ABA should strive to show its face at these important meetings as often as possible. If an emergency arrangement should become necessary at any time, its success will depend upon taking action on it as early as possible, maintaining full communication with the substitute delegate and transmitting appropriate instructions for voting on those proposals on the Agenda which the ABA wishes to take a specific position. If any emergency action is necessary to maintain the ABA position through substitute representation, the best course is to communicate promptly with the IBF Hon. Sec.

The AGM of the IBF follows a pattern that changes little from year to year. The Council convenes on the following day for one of its three meetings per year -- to elect its committees and to consider matters that have been referred to it by the AGM. All resolutions or proposals to be considered by the AGM must have been submitted to the IBF Hon. Secretary in writing at least 4 months prior to the date of the meeting. All such proposals are printed in the Agenda and circulated in advance to all the member national organizations and their appointed delegates.

The total representation at the AGM usually numbers 40 persons. The conduct of the meeting is strictly in accordance with the rules of parliamentary procedure. Many of the matters acted on by the meeting are decided by a visual tally of votes, each organization using a paper flag marked with the number of votes that may be cast for their national body, but such matters as the election of officers and members of the Council are handled by secret written ballots.

The Council of the IBF is, in effect, the Executive Committee of the IBF. Election to membership in this body implies obligation to attend its meetings whenever the member can arrange to do so. Operations of the IBF do not provide for balloting on any matters by mail. Opinions on matters on the Agenda for any meeting may be sent to the Hon. Secretary --- but, in order to have a part in any actions that are taken, a delegate to the AGM or a member of the Council must be present in person. The Council schedules three meetings a year. One taking place on the day following the AGM and the other two held in late March and early October, respectively.

If, after one round of Ranking Committee voting, the resulting ranking lists submitted do not reflect a majority vote for each ranking in a particular event, or events, the Chairman shall, at his discretion, and in order to speed up the work, forward his proposed ranking list to the Ranking Committee members. This list shall not carry a vote, or be considered in any way binding on the Committee;

Senior Ladies' Doubles	SrM Sing.	Senior Men's Doubles

The Committee shall add a footnote, or a secondary list, to the regular ranking list which will set out the relative ranking of foreign players who have played in

the USA during the current season, but who are not eligible for ABA ranking.

(A permanent resident shall be a player who has been a resident for two years prior to May 1 of the season in which he (she) is considered for ranking. Also excluded from ranking consideration shall be persons in this country as students or who reside in the USA on a temporary basis with the intent of returning to their native country.)

C. Ranking Certificates shall be awarded each year to each player whose name appears on the Ranking List. The event(s) in which the player is ranked shall appear on the Ranking Certificate.

REFEREES, UMPIRES AND LINESMEN
RULES AND REGULATIONS

In order to have consistency in umpiring throughout the country, it is requested that these instructions be followed in all sanctioned tournaments.

Duties of the Referee

In the case of each tournament, those in charge shall appoint a Referee to act for them in regard to rules, scoring and similar factors of match play. The Referee:-

1. Shall be in complete charge of match play, except for the scheduling of matches (either as to time or place).
2. Shall be thoroughly familiar with the Official Laws of Badminton and the interpretations which are part of the rules.
3. Shall rigidly enforce all rules.
4. Shall have the power and responsibility to appoint and remove Umpires, Linesmen, and Service Court Judges.
5. Shall see that nets are at the correct height and that correct shuttles are used after testing for speed.
6. Shall be the final authority on appeal from the decision of the Umpire with power to reverse the Umpire's decision involving a point of law, only. The scoring of a match can be affected only if the appeal is made to the Referee before the next service is delivered.
7. Shall be present on or adjacent to the playing area at all times during the match play or be specifically represented by a deputy appointed by him.

Duties of the Umpire

The Umpire:-

1. Shall, upon taking the court, and before the players rally,
 - a. Arrange the toss for service or court.
 - b. Write upon the score card the starting position of the contestants, the name of the server and the receiver.
2. Shall be in complete charge of his match except for such higher authority as rests with the Referee.

THE LAWS OF BADMINTON

Faults

14. It is a fault:-

(a) If in serving, the shuttle at the instant of being struck be higher than the server's waist, or if any part of the head of the racket, at the instant of striking the shuttle, be higher than any part of the server's hand holding the racket.

FAULT!

FAULT!

FAULT!

The fingers are a part of the hand.

PROPER!

3. Shall make all calls promptly and clearly, calling the score, lets, faults (unless these are specifically assigned to linesmen or service court judges, in which case he must await their call or signal) IBF Law 14 (h) as amended 1968 reads "It is a fault if the shuttles be held on the racket (i.e. caught or slung) during the execution of a stroke; or if the shuttle be hit twice in succession by the same player with two strokes; or if the shuttle be hit by a player and his partner successively."
4. Shall see that contestants do not leave the court after match has started unless granted permission. (Exception- Five minute interval allowed between second and third games - Required for all Junior events..... but no player is to leave the general playing area during this interval.
5. May allow a contestant to leave court for a period as he may consider necessary under circumstances not within the control of the player. The umpire shall be the sole judge of any suspension of play and he shall have the right to disqualify an offender.
6. Shall call service and receiving faults except if a Service Judge is assigned.
7. Shall insure that players serve and receive from the proper courts.
8. Shall insure that courts are changed in accordance with Law #8 of the Laws of Badminton.
9. Shall insure that the option of "setting" is properly exercised.
10. Shall uphold the decisions of Linesmen or Service Court Judges.
11. May remove a Linesman or Service Court Judge for good cause, subject to final decision of Referee.
12. May decide when Linesmen or Service Court Judge is unable to render a decision, himself, or may call a "let" and replay the point.
13. May call a "let" and replay the point if action of spectators interferes with the players.
14. Shall take the score to the Official Scorer at once at the conclusion of the match.
15. May order a point replayed where a Linesman or Service Court Judge corrects his decision if the call has affected the play of either side.

Duties of a Linesman

1. Shall watch his line carefully. An IN or OUT decision is made on the floor contact of the cork and NOT the feathers of the shuttle. Thus, a flat angled bird may be OUT although the feathers are well inside the court line. If the cork touches ANY PART of the line, it is "IN".
2. Shall call "OUT" promptly in a clear voice loud enough to be heard by the players and the spectators, and at the same time signal by extending both arms horizontally so that the Umpire can see clearly.
3. If the shuttle falls in say nothing. If unsighted, inform the Umpire immediately.
4. Shall never appeal to either PLAYERS or SPECTATORS.
5. Shall have the final decision on all points relative to his own line.
6. May correct his decision on a point but shall notify the Umpire before the next service is delivered.

Duties of a Service Court Judge

1. Shall watch and call the server for foot faults and service faults.
2. Shall watch and call the receiver for foot faults and illegal rushing of the service.
3. Shall watch the service line for a short service and call if receiver does not play it.
4. Shall make a decision promptly unless unable to judge accurately. If his view is obstructed, shall immediately notify the Umpire.
5. May correct his decision but shall notify the Umpire before the next service is made.

NOTES

- (1) Try to use Umpires for all matches, but at least on all rounds from the semi-finals on. When holding Junior events, it is important to have an Umpire for each match,
- (2) Each linesman and service court judge should be at his assigned position before the match starts and may not leave before the match ends without the consent of the Umpire.
- (3) The correct call when an infringement of the Laws has occurred is "Fault". When a doubt arises in the mind of the Umpire or Service Judge as to whether a Fault has occurred or not, "Fault" should NOT be called and the game should be allowed to proceed.
- (4) Clear and audible calls are of great benefit to the players, spectators, and other officials.

SHUTTLECOCKS APPROVAL AND ADOPTION

The jurisdiction of the Shuttlecock Committee includes all matters pertaining to shuttlecocks necessary or advisable for the benefit of the ABA and the betterment of the game, so far as such jurisdiction is consistent with the Constitution and with our contract with LCA.

I. APPROVAL OF SHUTTLECOCKS FOR TOURNAMENT PLAY

A. The ABA will advise all member clubs and associations that they must use only shuttles approved by the Shuttlecock Committee for tournaments sanctioned by the ABA.

1. A definite plan of approval shall be followed.
2. Approval shall be given annually, to be announced not later than July 1 of each year. Approvals may also be given during the year to any concern submitting a request for the same.
3. Notification to shuttlecock manufacturers or distributors of the award or rejection of approval shall be made by the Administrative Secretary of the ABA after a full report from the Committee.

6. Any concern may submit as many shuttles as it may desire, but only the single charge of \$25.00 will be made for one brand.
7. The Committee will approve or reject each shuttle by brand name, regardless of whether shuttles may be made by one manufacturer and submitted to it by one or more concerns.
8. No manufacturer or distributor is obliged to submit shuttles for testing and approval by this Committee.
9. Carlton Nylon Shuttles (Tournament grade) have been approved for use in all tournaments except Class A Championships and Open tournaments.
10. The grant of approval allows the concern to use the term: "APPROVED FOR TOURNAMENT PLAY BY THE AMERICAN BADMINTON ASSOCIATION."
or similar wording, for any publicity it may desire during the term of approval.

11. Any manufacturer or distributor granted this approval must agree not to ship to retail outlets any shuttles with advertising showing ABA approval after the expiration of the term of approval without written permission of the Committee.

12. Approval of a shuttlecock submitted by a concern shall not be effective until such concern shall have signed and delivered to the Administrative Secretary of the ABA an agreement in the form attached to these rules and regulations. Violation of such agreement or any infraction of these rules and regulations will warrant the ABA in recommending the non-use of the shuttlecock in question by associations, clubs and individual members of the ABA.

B Form Of Agreement:

(Signed) _____ (Name of manufacturer or distributor)

BY _____ (Name of authorized person)

II. NATIONAL CHAMPIONSHIPS ADOPTION

A. After careful study of the question of rotation of the adoption, or open competitive bidding, the policy of open competitive bidding has been chosen.

B. The Committee shall give first consideration in its selection to those concerns who have been given approval. No shuttle rejected as suitable for "For Tournament Play" shall be considered in the selection.

C. The Committee shall issue call for bids no later than October 1, and its report of the selection shall be submitted to the President of the ABA not later than December 15.

D. The award of the adoption shall be made so that the concern chosen will be notified not later than January 1 of the year the Championships is to be held. Notification shall be made by the Administrative Secretary of the ABA. She shall notify all associations and club members of the name and brand of the shuttle adopted for each National

Championship as soon as the report of the selection is made by the Shuttlecock Committee.

E. The Committee is permitted to request from all concerns bidding that they submit whatever number of shuttles the Committee desires, free of charge. This amount shall not exceed one dozen to each member of the Committee, unless extra tests are found necessary.

F. The terms of the bid and award shall include the following:

1. The price of the shuttles per dozen will be a fixed price decided upon by the Committee after consultation with the President and announced in the call for bids. As closely as possible, this figure should be that generally recognized by leading concerns as cost figures.
2. There shall be no guaranteed bird consumption.
3. A competent shuttle expert, representing the concern with all authority, should be in attendance at the National Championships and in charge of the shuttle supply while the tournament is in play.
4. The ABA, by duly authorized representatives, shall be permitted to examine and test for approved use all shuttles to be used.
5. The concern awarded the adoption shall pay a fee of \$50.00 for either the Open National or Junior Championships for the award and will be given the privilege of first call on a full page advertisement in the official programs at the going rate of such page. Acceptance or rejection of the full page advertisement must be made in writing to the Tournament Committee within ten (10) days after notification of the award.
6. This concern shall bear no other printing or publicity expense as concerns the ABA direct, but it may, at its own expense, be permitted to announce, circularize, or distribute posters regarding the event, using its own name on this material in any way it may desire.

TEAM POINT SYSTEMS

The following systems are recommended by the American Badminton Association as various methods for determining the winning team when two or more schools or clubs compete against each other.

1. DUAL MATCHES (2 schools or clubs)

- a. Players play each other according to their ranking on the team and the winner is the team with the most victories. The number of positions to be played must be determined before the team match. (example: 5 MS #1 plays #1, #2 plays #2, etc.; 5 LS; 2 MD; 2 LD; 5 MxD. Total of 19 matches; team which wins 10 or more matches is the winner.)
- b. Thomas or Uber Cup Style: 3 singles players and 2 doubles teams (these numbers can be adjusted to suit the teams involved). Singles players and/or doubles teams must play each of the opponent's singles players or doubles teams. Winning team is the team with the most victories.

2. SEVERAL TEAMS

- a. Single elimination tournament - unlimited entries from any one team. An attempt should be made that players from the same team should be in different sections of the draw. 2 points are awarded for each match won (if doubles team is from two different teams, split the points). Player or team receiving a bye will be awarded 4 points if the next match is won or 0 points if the next match is lost. 2 points are awarded for a match won by default. Semi-finalists receive a bonus of 2 points. Finalists receive a bonus of 2 points. Winners receive a bonus of 2 points.

If a consolation bracket is played, fractional points should be given in this bracket, but far less than in the championships so that players will not intentionally lose to get into this bracket. (Suggest $\frac{1}{4}$ or $\frac{1}{2}$ for each win in the consolation bracket.)

Team winner is the team with the highest point total.

A single elimination tournament with entries from each team limited to 4 players (each placed in a different quarter of the draw) can be played with the above or similar rules.

TEAM POINT SYSTEMS
(cont'd)

- b. Round-robin tournament - Each team enters the same number of singles players and doubles teams. Round-robin tournaments are played in each position (i.e., all #1 players play each other, all #2 players play each other, etc.). Each victory scores one point for the team and high point total is the team winner.

If there are many teams entered, so that the round-robin event involves a lot of matches, a single game to 21 may be substituted for a two-out-of-three-game match.

TOURNAMENTS & EXHIBITIONS

I. CHAMPIONSHIPS: The use of the word "Championships" in the title of a tournament shall be limited to tournaments restricted to the following players:

A. Those residing in the territory embraced within the scope of the title;

2) No amateur in such exhibition shall receive, in money or the equivalent, in excess of his actual traveling and living expenses incurred.

b. All of the foregoing provisions shall apply where there is an admission charge, whether the

1. such match shall have been duly approved by the governing body, or by authority duly delegated by that body, of the country where such match is held, or
2. the participation in such match by such player or players affiliated with the ABA shall have been approved by the ABA Amateur Status Committee.

IV. SANCTIONS

A. Policies

1. All tournaments conducted by association or club members of the ABA should be sanctioned. Sanctions are granted in order to insure adequate control over the tournaments.
2. While the sanctioning system was established in order to avoid conflicts, it does not necessarily follow that the ABA Sanction Committee can refuse to issue a sanction because of a conflict. The Sanction Committee is the clearing house for all tournaments and, while it lists the schedules and makes every effort to avoid conflicts, refusal to sanction is not entirely justified because of two or more tournaments being held on the same date. If, in spite of knowing of the conflicts, the groups desiring to hold the tournaments, wish to go ahead, it is not to the best interests of the game to deny the sanction.
3. No important tournament should be sanctioned in conflict with the National Junior or Open Amateur Championships.
4. State and regional tournament dates will be given protection within their respective areas.
5. Reasons for sanctioning tournaments other than to avoid conflicts of dates:
 - a. To insure that the tournaments will be run according to the ABA regulations.
 - b. So that players may be ranked.
 - c. To establish official champions in states and regions.
 - d. So that all play will be according to the rules and regulations of the ABA and the IBF.
 - e. To protect the amateur standing of all players.
 - f. In order that a record may be kept of the Tournament and official recognition given to the winners in the official publications of the ABA.
 - g. To control players' expenses and gate receipts.
6. While it is important for all tournaments to be sanctioned, it is possible for clubs to hold unsanctioned tournaments. However, these tournaments are not recognized by the ABA and they are not considered for official ranking. Clubs are cautioned to exercise due diligence with respect to all tournament contestants to be certain that there are no violations of the amateur regulations. Players participating in unsanctioned ABA tournaments may be

cited for violation of the amateur code in the case professionals participate.

7. Regional tournament sanction chairmen are permitted to recommend sanctioning of a tournament where it is sponsored by an ABA club or association member provided only that amateur players are entered who are residents within the scope of the tournament.

B. Regulations: Tournaments or exhibitions considered as requiring a sanction are those for which the ABA (Member) or the IBF charge an entry fee and/or admission.

1. Fees: For all tournaments and exhibitions held under the auspices of the ABA, an ABA sanction must be obtained and a fee paid therefor. No fee is required for Interscholastic or Intercollegiate tournaments.

a. The fee for all Open and "A" tournaments is \$5.00.

b. A \$2.00 fee is charged for:

1) All Junior tournaments;

2) All tournaments of a purely local character which are limited to contestants from clubs within a 25 mile radius of the tournament site;

3) Exhibitions;

4) Class B, C, and D tournaments (which include those limited to contestants other than Class A and those in which a Class A player may compete with a Class B, C, or D player as a partner.)

c. All applications for sanction must be received by the Chairman of the ABA Tournament Sanction Committee at least one month prior to the opening date of the tournament for which a sanction is requested. A penalty of \$1.00 shall be assessed for all late sanction applications.

2. Sanction Procedure:

a. Plans for the season's tournament play should be developed and sanctions should be requested as early as possible. (See listing of Regional Sanction Chairmen, Appendix). Plans that affect more than one association in a general area from which tournament entries may be expected should be coordinated directly between all associations having jurisdiction within that area.

b. To avoid serious conflicts of dates, sanction for each tournament shall be procured in accordance with the following:

- 1) Local tournaments are subject to district or regional sanction;
- 2) District tournaments are subject to regional association sanction;
- 3) Regional association tournaments are subject to ABA sanction;
- 4) Special tournaments are subject to ABA sanction.

3. Junior tournaments and championships shall be sanctioned in the same manner as adult tournaments and championships and the same ABA policies shall apply.

4. In the event proposed dates clash with any tournament already sanctioned, or if the proposed tournament conditions are considered to be undesirable in the interests of the game by the association responsible for the sanction, the tournament committee concerned shall be advised accordingly and recommendations advanced.

a. Failure to comply with the final decision of the association concerned shall obligate the tournament committee concerned to submit the matter to the Chairman of the ABA Sanction Committee for consideration.

b. If the official objection to the tournament is confirmed, the players who competed in the unauthorized tournament shall be suspended from further competition in any tournament.

V. ACTUAL CONDUCT OF TOURNAMENT

A. Player Eligibility:

1. No player shall be eligible to compete in any sanctioned tournament:

a. unless he or she is an amateur according to the rules of the ABA (see page 6) or the rules of the national association, other than the ABA with which the player is affiliated, and

b. except as the Tournament Committee shall otherwise determine in particular cases, unless he or she either is:

- 1) a member of a club in good standing affiliated with the ABA or with the IBF, or
- 2) an individual member of the ABF, or
- 3) in the case of a Junior, is sponsored by one of the above.

2. It is the recommendation of the ABA that the age limits which apply to the National Junior

Championships be followed in all junior championships and tournaments.

3. No ABA member shall knowingly participate in any tournament promoted by an ABA or IBF club or organization unless it has been sanctioned by the ABA or approved by the IBF.

4. Players violating the above regulations shall be ineligible to receive a ranking or to participate in any sanctioned or approved tournament for a period of one year from the date of the violation, subject to review of the Amateur Status Committee.

B. The ABA Match Scheduling (following pages) system of allocating time of play and courts to players should be used in all championships and tournaments.

C. If a challenge cup is not played for in any one season, the player who won it the previous year shall be deemed to have won it that season.

D. Officiating: When an umpire is officiating, the laws of the game shall be enforced by him and in his judgement. In the absence of an umpire, the players concerned shall carry out the rules and if a violation be claimed by one side and not acknowledged by the other, a "let" shall be allowed. Umpires are recommended for all semi-final matches, and both umpires and linesmen shall be provided for all final matches in any championship tournament. (See: Referees, Umpires and Linesmen)

E. Tournament Results of all sanctioned tournaments shall be sent to the ABA Sanction Chairman who will distribute them to the proper persons, i.e.:

1. In Thomas Cup and Uber Cup seasons, to the coaches of the respective squads.
2. The official publications of the ABA;
3. Junior Activities Chairman of the ABA if any juniors are entered.

F. Tournaments conducted by non ABA Member clubs, schools or organizations may be sanctioned by the ABA by a direct application to the National Sanction Chairman,

Mr. Cletus Eli

ABA & IBF TOURNAMENT REGULATIONS

THE DRAW

1. The draw for all events at Open Tournaments shall be made in the manner set out below, and no dummy entry in singles or dummy pair in doubles may be included in the draw of any championship event. There shall be no alteration in the published draw of any championship event unless permitted under exceptional circumstances by the tournament committee, but no such alteration shall be allowed in singles events, nor in a doubles event if two or more pairs already entered should object.

NOTE.- The purpose of allowing any alteration is to enable a competitor to have a substitute partner in a doubles event if his original partner is prevented from playing through illness, injury, or other unavoidable hindrance. The purpose of allowing alterations is not so that any fresh entries may be introduced.

Immediately any request for alteration is received, competitors in the event concerned shall be acquainted thereof by the Referee by means of a notice prominently displayed on the notice board (if any) and/or in the changing rooms. They shall be given reasonable time to lodge objections which shall be received in confidence.

2. Under no circumstances shall any player be permitted to compete more than once in the same event at any tournament.

3. In no event shall the draw be arranged, except that seeding in championship events shall be permitted under the conditions set out below.

4. The draw shall be conducted as follows:-

When the number of playing units is 4, 8, 16, 32, 64, or any higher power of 2, they shall meet in pairs in the order drawn, as in the following diagram:-

byes, if even in number, shall be divided, as the names are drawn in equal proportions at the top and bottom of the list, above and below the pairs; if uneven in number, there shall be one more bye at the bottom than at the top.

Example - With 19 playing units there will be $32 - 19 = 13$ byes, 6 at the top and 7 at the bottom of the list, and 3 matches in the first round, 8 in the second, 4 in the third, etc.

Example - with 9 playing units there will be $16 - 9 = 7$ byes, 3 at the top, and 4 at the bottom, and one match in the first round, see below.

1st Round 2nd Round 3rd Round Final Winner

With 5 playing units there will be 1 bye at the top and 2 byes at the bottom.

With 6, 1 bye at the top and 1 bye at the bottom.

With 7, 1 bye at the bottom.

With 8, no byes.

With 9, 3 byes at the top, and 4 byes at the bottom.

With 10, 3 byes at the top and 3 byes at the bottom.

With 11, 2 byes at the top and 3 byes at the bottom.

With 12, 2 byes at the top and 2 at the bottom.

With 13, 1 bye at the top and 2 at the bottom.

With 14, 1 bye at the top and 1 at the bottom.

With 15, 1 bye at the bottom.

With 16, no byes.

And so on with larger numbers in like manner

SEEDING THE DRAW

5. At any open tournament, the prospectus of which gives due notice thereof, the draw in the level events may be arranged or "seeded" subject to the following restrictions:-

- (a) Entries to the number of eight, and no more, may be seeded by lot into separate eighths of the draw of an event comprising at least 32 entries; and, similarly, in events comprising fewer entries, four

ABA MATCH SCHEDULING

The ABA Match Scheduling system is a process for "programming" a tournament so that each match in each event is scheduled at a definite time on a specific court. Control is exercised through the use of master schedules by the director of play and individual program cards for each player. Each separate match is numbered permitting precise scheduling which is fair to all players.

Allowance of an interval of not less than 1½ hours (if possible) between the starting times of successive matches for any player (or doubles pair), either in the same event or different events, is desirable and possible through proper scheduling.

SYSTEM PROCEDURE AND TOOLS with illustrations:

1. Complete Draw and set up Draw Sheets for all events. (Sample Draw Sheets - Exhibit 1)
2. Determine the number of courts and the time they will be available.
3. Number matches (byes do not count as matches) on the Draw Sheet when tournament is run as a "One Class" tournament: (See Exhibit 2)
 - a. Men's Singles, first round
 - b. Ladies' Singles, first round
 - c. Men's, then Ladies' Singles to quarter-finals
 - d. Men's Doubles to quarter-finals
 - e. Ladies' Doubles to quarter-finals
 - f. Senior events to be fitted in
 - g. Mixed Doubles to quarter-finals

When a tournament includes more than one classification, number matches straight through first round of all events. This will establish the "consolation" draws. Then follow c. - g. above for all events in all classes. Some players entered in more than one class will have to be fitted in. The Control Sheet, if completed through every possibility to the finals will show when such conflicts might arise and adjustments need to be made. (Control Sheet, Exhibit 6)

4. Prepare Schedule Sheets. (See Exhibit 3 for completed sample)
- Allow one vertical column for each court and one horizontal line for each half-hour (for a two day tournament 45 minutes may be better) interval.
 - Number sheets according to the number of matches to be played as indicated on the Draw Sheets. Allow for one unscheduled half-hour or 45 minutes every 7th or 8th period taking each court in succession.
 - Determine the number of matches to be played prior to the quarter-finals by subtracting 8 from the number of entries in each event.
 - Determine the number of half-hour, or 45 minute periods necessary to have the entire tournament reach the quarter-finals by using the answer to 4.c. above, divided by the number of available courts. This will give an indication of the time the tournament should start so as to finish at a reasonable time.

Section 4. Subject to the immediately following sentence, each Director shall be elected for a two-year term and shall continue to serve out the term, provided he (or she) continues to be a Class 1 or Class 1 Life Member residing within the Region which he (or she) represents. Terms of office shall be set such that in the case of each Region the number of Directors elected in each year shall be one-half of the total number of Directors to which such Region is entitled, if this total is evenly divisible by two, or if not, one-half of such total number as increased by one.

Section 5. Each year, the Executive Committee shall apportion the Directorships to be filled among the six (6) Regions. Without hereby limiting the foregoing power of the President of the ABA to make such appointment as he shall determine upon, it shall be his duty to inquire of the President of each Association Member within the Region as to which the Directorship vacancy exists whom he suggests as Director to fill the vacancy.

Section 7. Any such proxy must be a Class 1 or Class 1 Life Member within such Region and shall have the full right to participate in a regularly called meeting of the Board of Directors, including the right to vote; provided, however, that no person shall be entitled to hold more than one proxy at any meeting.

Section 8.
