Exciting mountain cheese tasting experience (Galicnik - Saltanica - Caushica - Smrdlivi Virovi - Galicnik)

About the tour

These tours are for those who want to enjoy in the treasures of the mountain. Riding uphill along the valleys of the mountain Bistra, you will enjoy in the huge open views on many mountain peaks. On these ride you need to take a little more care to pack the appropriate clothing, as well sun & wind protective gear. On this trip you will get closer to the Sheppard's life, visiting few sheep farms and tasting traditional white cheese and yogurt. For the adrenalin explorers we suggest the adrenalin mountain cheese tasting experience tour which is taking you around the highest peak Medenica (2,163 m.) of the mountain, with incredible view of Korab massive(2,764 meters). This is a soul rewarding tour and with a breathtaking scenery.

Equipment check list:

- Comfortable walking shoes;
- Warm clothes for mountain weather conditions;
- Sun cream;
